Situation Report

Severe Storms

April 4, 2006 8:00 a.m.

Please Note: This is a combined Situation Report – The damages from the most recent storm will be first and the damages from the Storms of March 11-13, 2006 will follow.

Situation:

Sunday April 2, 2006, several lines of severe storms and tornadoes swept across Missouri. Damage was centered in East Central Missouri and Southeast Missouri. **These storms went on to hit Dyer County, Tennessee cutting a 25 mile swath and killing 23 in western Tennessee. A total of 27 deaths were recorded in the Central U.S., three of the 27 were in Missouri. Governor Blunt signed two executive orders on Monday (April 2, 2006) that will allow SEMA and other State resources (including Missouri National Guard Assets) to be used in response and recovery operations in Southeast Missouri**

- 3 Confirmed Deaths 1 in Circle City (**Stoddard County**), 1 in Braggadocio (**Pemiscot County**), 1 in Castlewood State Park near Ballwin, Mo (**St. Louis County**), 26 injured and additional injuries are expected to be reported.
- **Pemiscot County (Caruthersville)** reports that their primary issues are security and water. **Supplementary law enforcement requests have been filled by State Agencies and other local law enforcement agencies under mutual aid compacts (See State Actions for details).** The City has also requested a water purifying unit. Missouri Department of Natural Resources is coordinating to dispatch water tankers to send in bulk water, if needed. The City has also requested several generators for their Emergency Operations Center to power the EOC (the Fire Department) and water plant as well as several sewage lift stations. DNR working with the Governor's Office on disaster related environmental waivers. MoDOT also is sending in additional personnel to supplement the Highway Patrol in traffic control. Water, ice and heavy equipment should be directed to the Casino Aztar parking lot. Food and bottled water should be directed to the Community Center. **The elections scheduled for Tuesday, April 04, 2006 have been cancelled.**

The state and local damage assessment for Pemiscott County is underway and at this time the following damage has been reported:

Residences: minor damage-22, major damage-56, and destroyed-34

Businesses: major damage-5, destroyed-8

The full damage assessment should be completed late April 3, 2006.

Mayor of Caruthersville has requested SEMA to activate the SAVE Coalition (Structural Assessment and Visual Evaluation), which is comprised of volunteer engineers and architects to help determine the habitability of structures in Pemiscott County.

- St. Louis County reported power outages throughout the county. Approximately 91,000 homes are without power, but the utility is working on restoring power. There were no requests for assistance.
- St. Charles County reported an intense line of storms came through the area. Straight-line winds damaged several thousand homes including shingles, siding, and minor roof damages. **Francis Howell North High**

School suffered some major damage to a roof, and one church had some roof damage - There were no requests for assistance.

- Dunklin County reported 21 homes damaged or destroyed. Eight homes were totally destroyed. They were providing assistance to Pemiscott County and the City of Caruthersville.
- Ralls County: Adventure Out RV Service reported 29 camper trailers with damage, 16 with major damage and 13 with minor damage and the main business building destroyed. Mick's Bait & Tackle, Boat Storage reported minor roof damage on the main business building, one pole barn destroyed and some boats and campers destroyed. The Village of Rensselaer-Lake Hannibal Estates reported minor roof damage to 8 single family homes

State Actions:

- ❑ The State Emergency Operations Center (SEOC) has been activated at Level I. SEMA Southeast MO Area Coordinator on site in Pemiscot County, other Area Coordinators maintaining contact with local officials.
- ❑ Missouri State Highway Patrol (MSHP) dispatching officer(s) for security detail to Caruthersville, Pemiscot County. Additional officers from other State Agencies have been requested. Have commitments from MSHP for 44 Troopers and 4 Communications Officers to staff the mobile communications van, which is enroute Caruthersville. Missouri State Water Patrol is sending 10 officers, DNR (State Parks) is sending 10 Rangers, Missouri Department of Conservation is sending 10 officers, and State Fire Marshal is sending 2 officers to augment law enforcement agencies impacted by tornado.
- ❑ Missouri Division of Fire Safety established Fire Mutual Aid; and they have received a request for forty fire personnel to conduct light search and rescue operations for Southeast Missouri. **Under Fire Mutual Aid, fifty firefighters were sent to the area for light search and rescue operations.**
- ❑ Missouri Department of Mental Health reports damages in the St. Louis area to several of their facilities. Among them are Bellefontaine Habilitation Center (Roof Damage) and Hawthorn Children's Hospital (Major roof damage to the Gymnasium). **Additional damages were reported to DMH and indicate that the St. Louis Psychiatric Rehabilitation Facility had roof damage to three group homes.**
- ❑ SEMA is working with contractors to provide a generator for Caruthersville to help with their water systems.
- ❑ Missouri Army National Guard has been requested and accepted a mission to provide approximately 55 Soldiers to assist civilian law enforcement officers in protecting lives and property in the impacted area. **Advance party of 15 soldiers arrived the evening of April 3rd.**
- ❑ Department of Natural Resources is assisting with drinking water for the communities of Caruthersville, Deering and Braggadocio.
- ❑ The Department of Social Services is coordinating water and mass care issues.
- ❑ The Department Health and Senior Services deployed staff to Caruthersville because the local Public health offices were impacted by the tornadoes. The staff is inspecting shelter and feeding stations, evaluating food service facilities, evaluating impacted lodging facilities, issuing food safety guidance and ensuring delivered bulk water supplies are **potable**.
- ❑ **Missouri Department of Agriculture has an animal specialist assisting the City of Caruthersville to help with any issues related to dead animals. As of Monday (April 3, 2006) only two dead horses have been found.**
- ❑ **SEMA and other State Officials will be surveying the damages in Southeast Missouri with an overflight of the damaged areas later today.**

SEMA staff will be assessing damages through their Area Coordinators and will be reporting in the next Situation Report.

Other State Agency and Volunteer Agency Actions:

- The American Red Cross is running a shelter at the Community Center in Caruthersville. They are preparing a second shelter to be in the Old Armory at Caruthersville. ARC has five damage assessment teams in the City. American Red Cross has three Emergency Response Vehicles (ERVs) on scene.

Americorps Emergency Response Teams have dispatched from St. Louis and are assisting locals in Caruthersville, Braggadocio and rural Pemiscott County in clean up from the Sunday storms.

- Southern Baptist Relief Services is setting up a fixed feeding site in Hayti on Tuesday, April 4th and is providing chain saw crews for debris clearing on private property.
- Salvation Army has established two canteen service units in Caruthersville and a third unit in enroute.

Joint SEMA/FEMA damage assessments for Public Assistance (PA) programs are complete in 12 counties (Bates, Benton, Boone, Carroll, Daviess, Henry, Jackson, Johnson, Monroe, Montgomery, Ray, and Washington). PA programs help local governments and qualifying non-profit organizations rebuild infrastructure and assist with extraordinary expenses incurred in responding to the disaster. In the original disaster declaration, Public Assistance was designated for Categories A & B in seven counties (Bates, Christian, Howard, Jefferson, Monroe, Montgomery, Washington). We also contacted local officials in Lawrence, Vernon, and Johnson Counties to see if there were any additional damages that were not identified during the initial assessment.

Federal/State Actions:

- ☐ The State Emergency Operations Center (SEOC) has been activated and is maintaining contact with local officials.
- ☐ Missouri Department of Labor and Industrial Relations (DOLIR) has established a toll-free number to receive information Disaster Unemployment Assistance, or to apply for the program. Persons affected by the disaster should call 1-800-788-4002 for more information.

Other State Agency and Volunteer Agency Actions:

The Disaster Recovery Partnership (DRP) and Missouri Volunteer Organizations Active in Disaster (MO-VOAD) continue to meet any remaining emergency needs of persons affected by the disaster. DRP and MO-VOAD continue to convene member agencies to maintain collaboration and coordination.

AmeriCorp teams are operating in the field to assist local communities with special projects such as debris clearance for special needs populations. An AmeriCorp team continues to operate in the SEOC to facilitate coordination among partnership agencies, and to prepare Community Organizations Active in Disaster (COADs) for long-term recovery

activities in hard-hit communities. A community meeting was held in Fayette, Howard County, on Wednesday, March 29. A COAD meeting, (inter-agency only) is scheduled for Thursday evening in Marshall, Missouri.

AmeriCorp continues to work with volunteers staffing the Missouri Tornado Hotline (866-254-0140). The hotline is open from **9am to 5pm, Monday-Friday** to process offers of donated goods, time or money, as well as requests for assistance. 296 calls have been taken since March 13, 2006, in the following categories:

Weather Outlook

No hazardous weather is expected today or tonight. The next chance for thunderstorms will be from Wednesday, April 5, 2006, through Friday Night, April 7, 2006. A slow moving system will be emerging from the Rockies. Because of the flow of moisture from the Gulf of Mexico there will be instabilities that will enable the formation of severe storms ahead of this system. Severe storms are possible Thursday and Friday.

Point of Contact:

SEMA Duty Officer after hours (Starting at 4:30 pm) number is 573-751-2748. During normal duty hour's calls should be made to 573-526-9100.
